XtraRide Optional Coverage Programs

Tire & Wheel Program*

Coverage is extended to the towing and the towed vehicle. The following items are covered if caused by a road hazard:

- Flat Tire Repair
- Tire Replacement
- Wheels (Rims) Repair & Replacement
- Mounting & Balancing
- Valve Stems
- Taxes**

The Tire & Wheel Program covers up to 4 occurrences regardless of the number of tires replaced per occurrence.

*This program may not be available in some states due to state law restrictions. See coverage booklet for exact terms, coverage and exclusions.

**You will be reimbursed for the cost of local and state taxes, as directed by state agencies.

Consequential Failure Program

Protection against the cost for repair or replacement of additional parts that are damaged due to the mechanical breakdown of a covered part.

Limits and Exclusions

Coverage is subject to deductibles, limits and exclusions. The contract covers repairs only of covered parts and only when they suffer a mechanical breakdown as defined in the contract. Under some circumstances, a mechanical breakdown of a covered part may not be covered. Examples include if the failure is due to misuse, lack of proper maintenance or when a non-covered part is what caused the covered part to fail. Also, the exclusions contain a list of parts not covered, some of which may be associated with or contained in component groups that are covered. Examples include fuses, tail light assemblies and tires. Please see vehicle service contract for details.
